Country Roads

```
G              Em
 Almost Heaven, West Virginia
D                      C          G
 Blue Ridge Mountains, Shenandoah River
G                   Em
 Life is old there, older than the trees
D                           C             G
Younger than the mountains, growing like a breeze

[Chorus]
        G              D             Em        C
Country roads, take me home, to the place I belong
        G               D             C             G
West Virginia, mountain mama, take me home, country roads

G               Em
 All my memories gather 'round her
D              C                 G
 Miner's lady, stranger to blue water
G                Em
 Dark and dusty, painted on the sky
D                          C              G
Misty taste of moonshine, teardrop in my eye

(Repeat Chorus)

Em          D            G
 I hear her voice in the morning hour, she calls me
    C       G              D
The radio reminds me of my home far away
Em                F             C
Driving down the road, I get a feeling
       G                      D                D7
That I should have been home yesterday, yesterday

(Repeat Chorus)

        D                   G
Take me home, down country roads... (2x)
